In re:

Chapter 7

TRANSCARE CORPORATION, et al.,  
  
Debtors.

Case No.: 16-10407 (SMB)  
(Jointly Administered)

-----X  
**EX PARTE APPLICATION TO EXTEND CHAPTER 7 TRUSTEE'S AUTHORIZATION  
TO OPERATE THE DEBTORS' BUSINESSES AND PAY CERTAIN OPERATING  
EXPENSES OF THESE ESTATES**

TO THE HONORABLE STUART M. BERNSTEIN,  
UNITED STATES BANKRUPTCY JUDGE:

Salvatore LaMonica, as interim Chapter 7 Trustee (the "Trustee") for the jointly-administered estates of TransCare Corporation, TransCare New York, Inc., TransCare ML, Inc., TC Ambulance Group, Inc., TransCare Management Services, Inc., TCBA Ambulance, Inc., TC Billing and Services Corporation, TransCare Westchester, Inc., TransCare Maryland, Inc., TC Ambulance North, Inc. and TransCare Harford County, Inc. (collectively, the "Debtors"), by his counsel, LaMonica Herbst & Maniscalco, LLP, seeks the entry of an *ex parte* Order extending the Trustee's authorization under the 721 Order (as defined herein) to operate and/or designate an operator to maintain certain Ambulance Service Certificates issued by the New York State Department of Health and to pay reasonable and necessary expenses required in connection therewith from April 26, 2016 to June 24, 2016 (without prejudice to seek further extensions of such authority), and respectfully represents as follows:

## **JURISDICTION**

1. This Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought in this Application include 11 U.S.C. §§ 105 and 721 (the “Bankruptcy Code”), Rule 9006 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Local Bankruptcy Rule 9077-1.

## **BACKGROUND**

### **I. Procedural Background**

4. On February 24, 2016 (the “Petition Date”), each of the Debtors filed voluntary petitions for relief under Chapter 7 of the Bankruptcy Code in this Court.
5. On February 25, 2016, Salvatore LaMonica was appointed as the interim Chapter 7 Trustee in each of the Debtors’ cases and is currently acting in that capacity.
6. Pursuant to Orders dated March 1, 2016, the Debtors’ cases are being jointly administered under case no. 16-10407 (TransCare Corporation).
7. By Order dated March 25, 2016, the Trustee was authorized to, inter alia, operate and/or designate an operator to maintain certain Ambulance Service Certificates issued by the New York State Department of Health and to pay reasonable and necessary expenses required in connection therewith for an interim period, *nunc pro tunc* to February 25, 2016 through and including April 25, 2016, without prejudice to the Trustee’s right to seek further extensions of such authority (the “721 Order”) [Dkt. No. 51].

## **II. Factual Background**

8. Prior to the Petition Date, the Debtors and their non-debtor affiliates operated under the “TransCare” umbrella and, among other things, were insured under the same liability, umbrella, automobile and other insurance policies.

9. Prior to the Petition Date, the Debtors and their non-debtor affiliates operated in accordance with certain Ambulance Service Certificates issued by the New York State Department of Health and identified as follows: (i) no. 0164 issued to debtor TransCare New York, Inc. d/b/a TransCare for Bronx, Kings, Nassau, New York, Queens, Richmond, Suffolk and Westchester counties; (ii) no. 0470 issued to debtor TransCare Westchester, Inc. for Westchester county; (iii) no. 0508 issued to debtor TC Ambulance Group, Inc., d/b/a Mount Sinai Beth Israel for Kings, Queens, Richmond, Bronx, New York counties; (iv) no. 0509 issued to debtor TC Ambulance North, Inc., d/b/a TransCare for Bronx, New York, Queens, Kings and Richmond counties; (v) no. 0574 issued to TCBA Ambulance, Inc., d/b/a St. Barnabas Hospital Emergency Services for Bronx, Kings, New York, Queens and Richmond counties; (vi) no. 0667 issued to non-debtor TC Hudson Valley Ambulance Corp., d/b/a TransCare for Rockland, Orange, Ulster, Sullivan, Dutchess, Putnam, Westchester and Delaware counties; and (vii) no. 0510 issued to non-debtor TC Ambulance Corp., d/b/a Metro EMS for Bronx, New York, Queens, Kings, Richmond and Westchester counties (collectively, the “CONs”).<sup>1</sup> The CONs have tremendous value but must be preserved in order maintain that value and their transferability.

---

<sup>1</sup> By Order dated March 25, 2016, the Court approved a stipulation between the Trustee, Patriarch Partners Agency Services LLC (on behalf of itself and as Administrative Agent) and Transcendence Transit, Inc. that, inter alia, provides for the Trustee’s sale of certain Ambulance Service Certificates issued by the New York State Department of Health to certain non-debtor affiliates of the Debtors. See Dkt. No. 52.

10. Specifically, Article 30, section 3010(4) of the Public Health Law of New York State provides as follows:

No ambulance service certificate of an ambulance service which has discontinued operations for a continuous period in excess of thirty days shall be transferable without the approval of the appropriate regional council.

NY PUB HEALTH § 3010(4).

11. Thus, after conferring with his counsel and special healthcare and regulatory counsel, the Trustee determined that, in order to ensure the transferability of the CONs, it was necessary to operate each of the CONs at least one time every thirty days.

12. In accordance with the 721 Order, the Trustee entered into a services agreement with SeniorCare EMS Inc., d/b/a SeniorCare (“SeniorCare”). Pursuant to the services agreement, SeniorCare, a licensed ambulance operator in New York State, agreed to operate certain ambulances of the Debtors under the CONs a minimum of one call every thirty days within the designated license area. Pursuant to the services agreement, each of the vehicles must be insured by the Debtors’ estates and the Debtors’ estates are responsible for certain out-of-pocket costs and expenses incurred by SeniorCare to maintain and stock the vehicles.

13. The CONs were each operated in March 2016 and are being operated in April 2016 in accordance with the services agreement and the 721 Order.

14. The Trustee received a stalking horse offer for all of the CONs. The Trustee anticipates filing a motion to approve the offer and certain bidding procedures to consider higher or better offers for the CONs shortly. To ensure the transferability of the CONs, the Trustee’s authorization under the 721 Order must be extended for an interim period and until the sale and transfer of the CONs is approved.

**RELIEF REQUESTED AND BASIS FOR RELIEF**

15. By this Application, the Trustee seeks entry of an *ex parte* Order extending the Trustee's authorization under the 721 Order to operate and/or designate an operator to maintain the CONs and to pay reasonable and necessary expenses required in connection therewith from April 26, 2016 to June 24, 2016 (without prejudice to seek further extensions of such authority). A proposed Order is annexed as **Exhibit A**.

16. Pursuant to Bankruptcy Code § 721, the Court “may authorize the trustee to operate the business of the debtor for a limited period, if such operation is in the best interest of the estate and consistent with the orderly liquidation of the estate.” 11 U.S.C. § 721. Pursuant to Bankruptcy Code § 105(a), the Court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

17. Bankruptcy Rule 9006, entitled “*Computing and Extending Time*” provides authority for the Court to enlarge the time limits imposed under the Bankruptcy Rules. Bankruptcy Rule 9006(b) provides:

Except as provided in paragraphs (2) and (3) of this subdivision, when an act is required or allowed to be done at or within a specified period by these rules or by a notice given thereunder or by order of court, the court for cause shown may at any time in its discretion (1) with or without motion or notice order the period enlarged if the request therefor is made before the expiration of the period originally prescribed or as extended by a previous order or (2) on motion made after the expiration of the specified period permit the act to be done where the failure to act was the result of excusable neglect.

FED. R. BANKR. P. 9006(b).

18. Even absent “cause,” the Court still has discretion to extend the time period. Indeed, bankruptcy courts are invested with broad authority and discretion to implement procedures that are necessary to enforce the provisions of the Bankruptcy Code. Pursuant to Bankruptcy Code section 105(a), a court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105.

19. By the 721 Order, the Court previously authorized the Trustee to operate and/or designate an operator to maintain the CONs through and including April 25, 2016. In accordance with the 721 Order, the Trustee designated an operator and has taken all steps necessary to maintain the CONs. To ensure the transferability of the CONs, the CONs must continue to be operated at least once every thirty days pursuant to Article 30 of the New York Public Health Law. Accordingly, the Trustee submits that the extension of the Trustee's authorization granted in the 721 Order for an interim period is in the best interests of the Debtors' estates.

20. The Trustee should also be authorized to pay certain reasonable and necessary expenses in connection therewith. The expenses include, but are not limited to, a monthly fee to SeniorCare in connection with the operation of the Debtors' vehicles under the CONs, maintenance costs for the Debtors' vehicles, supply costs to keep the vehicles fully stocked in accordance with, inter alia, State Emergency Medical Services Code Part 800, and certain insurance premiums.

21. This Application is being filed prior to the expiration of the Trustee's authorization in the 721 Order.

22. A line of well-established cases support the relief requested herein. See, e.g., Miltenberger v. Logansport Ry., 106 U.S. 286, 312 (1882) (payment of pre-receivership claim prior to reorganization permitted to prevent "stoppage of [crucial] business relations"); Dudley v. Mealey, 147 F.2d 268 (2d Cir. 1945), cert. denied, 325 U.S. 873 (1945) (Second Circuit extends doctrine for payment of prepetition claims beyond railroad reorganization cases); B & W Enters., Inc. v. Goodman Oil Co. (In re B & W Enters., Inc.), 713 F.2d 534 (9th Cir. 1983); Michigan Bureau of Workers' Disability Compensation v. Chateaugay Corp. (In re Chateaugay Corp.), 80 B.R. 279, 285-86 (S.D.N.Y. 1987), appeal dismissed, 838 F.2d 59 (2d Cir. 1988) (approving

lower court order authorizing payment of prepetition wages, salaries, expenses, and benefits); In re Boston & Me. Corp., 634 F.2d 1359, 1382 (1st Cir. 1980) (recognizing the existence of a judicial power to authorize trustees to pay claims for goods and services that are indispensably necessary to debtors' continued operation); In re Ionosphere Clubs, Inc., 98 B.R. 174, 177 (Bankr. S.D.N.Y. 1989).

23. For these reasons, the Trustee respectfully requests that the Court enter an Order extending the Trustee's authorization under the 721 Order to operate and/or designate an operator to maintain the CONs and to pay reasonable and necessary expenses required in connection therewith from April 26, 2016 to June 24, 2016 (without prejudice to seek further extensions of such authority).

#### **EX PARTE RELIEF**

24. The 721 Order previously authorized the Trustee to operate and/or designate an operator to maintain the CONs. The relief requested herein is consistent with the 721 Order and does not raise any novel issues of fact or law. As set forth above, the continued operation and/or designation of an operator for an interim period to maintain the CONs is in the best interests of the Debtors' estates and their creditors.

25. Except as set forth herein, no previous request for the relief sought herein has been made by the Trustee to this or any other Court.

26. For these reasons, and in accordance with Local Rule 9077-1(b), the Trustee submits that *ex parte* relief with respect to the Application is warranted.

27. To the extent the Court is not inclined to grant the Trustee *ex parte* relief, the Trustee respectfully requests that the Court schedule a hearing on this Application for May 3, 2016 at 10:00 a.m.

**WHEREFORE** the Trustee respectfully requests that the Court grant the relief requested herein and such other and further relief as it deems just and proper.
